SUBJECT: English Language Learner (ELL) Student Counts for 2014 – 15 NCLB Title III
LEP Allocations

NYSED is preparing to calculate allocations to Local Education Agencies (LEAs) for 2014–2015 NCLB Title III LEP. The allocations are based on the number of ELLs in each LEA. It is very important that NYSED has accurate counts of ELLs. To allow LEAs to update and/or verify their counts of ELLs, the **following procedures and timeline have been established:**

Date	Procedures
Beginning the week of May 19, 2014 through the week of June 16, 2014	Public ELL counts by district and charter school in Level 2 of the Student Information Repository System (SIRS) from the previous Friday's data refresh and nonpublic school ELL counts by district in the Basic Educational Data System (BEDS) will be available to authorized users in the "2013–14 Title III LEP Counts Report" on the Information and Reporting Services Portal (IRSP) at http://portal.nysed.gov . Instructions on accessing the portal can be found at http://www.p12.nysed.gov/irs/irspportal/ . LEAs should review the counts in the report, make changes in their local student management systems to correct public and charter school data, and work with nonpublic schools to correct inaccurate nonpublic school data using the Nonpublic School BEDS forms.
June 20, 2014	Public ELL counts by district and charter school in Level 2 of the SIRS and nonpublic school ELL counts by district in BEDS on June 20, 2014 will be used for 2014–15 Title III LEP allocations.
Later in June 2014 or early July 2014	Title III LEP allocations will be posted at http://www.p12.nysed.gov/nclb/allocations

Note that in preparing for the administration of the New York State English as a Second Language Achievement Test (NYSESLAT), LEAs may have already reported appropriate LEP codes in the SIRS. However, LEAs should review the counts in the reports available **May 19 – June 20**, make corrections to inaccurate public and charter school student data in their local student management systems, and ensure that the revised data are loaded into Level 2 of the SIRS by **June 20**. Local Level 1 data centers will require earlier due dates to allow sufficient time for processing.

Districts should work with nonpublic schools to ensure that inaccurate data are identified. Nonpublic schools with incorrect ELL counts should **fax** corrected LEP counts for Item 7 of their **Fall 2013** BEDS Report of Nonpublic Schools form to the NYSED Office of Information and Reporting Services (IRS) at (518) 474-4351. Corrections require the Principal's signature. Nonpublic school ELL or LEP counts should reflect students who were enrolled on BEDS day, **October 2, 2013**. Questions concerning nonpublic school ELL corrections may be directed to the IRS office at (518) 474-7965.

If you have any questions regarding these procedures, please call the Office of Bilingual Education and Foreign Language Studies at (518) 474-8775 or the Office of Information and Reporting Services at (518) 474-7965.
